# BACK TO TRAVEL

Many are eager to see the travel industry return to full strength in 2021. For this to happen, travel executives must re-imagine processes such as cleanliness and sanitizing protocols, air quality, same day COVID-19 testing, and enhanced viral awareness training for administrative and janitorial staff.

*TDS Back to Travel* solutions addresses many of the unique challenges that the travel industry is facing. Our comprehensive end to end viral mitigation solution provides everything you will need. We do the threat mitigation heavy lifting in the background so Travel Managers can focus on taking care of the customer.

In conjunction with TDS Labs we are happy to provide but are not limited to the following services:

- ▶ COVID-19 Same Day Testing (onsite or at home)
- ▶ Facility Testing Solutions Consulting
- ▶ Air Quality Management
- ▶ Recommended Cleaning Products
- ▶ Weekly Full Service Janitorial Services
- ▶ Janitorial Staff Training
- ▶ A.I. Threat Detection Systems that track net headcount, human temperatures, weapons and more

A dedicated focus must be placed on moving travelers safely and responsibly through our airports, hotels, restaurants, rental car facilities, cruise lines and theme parks. We develop and implement procedures, combining proven infection control products, that will allow you to safely return to pre-pandemic operating capacity.
