BACK TO SCHOOL

Colleges and Universities

TDS *Back to School* addresses the unique challenges that administrators of colleges and universities are currently experiencing in relation to COVID-19 — getting students back to campus safely.

Our comprehensive end to end COVID-19 mitigation solution provides everything you need from training, compliance, sanitizing and disinfecting protocols, to testing (on-site or at home), and A.I. threat detection systems. We will do the heavy lifting so you can focus on educating our future leaders.

In conjunction with TDS Labs, we are happy to provide but are not limited to the following services:

- ▶ **COVID-19 Human Screening Testing**
- ▶ **Facility Testing Solutions Consulting**
- ▶ **Air Quality Management**
- ▶ **Non-corrosive Sanitizing & Disinfecting Products**
- ▶ **Full Service Janitorial Services**
- ▶ **Janitorial Staff Certification Training**
- ▶ **Threat Detection Systems**
- ▶ **Same Day Electronic Testing Results**

We develop and implement procedures, protocols and technology, combining proven infection control measures, that will allow our institutions of higher learning to safely return to pre-pandemic operating capacity.
